Happy 2021!

Everyone at Keep Greater Milwaukee Beautiful is looking forward to a brighter 2021 and is excited to continue our mission towards a cleaner and greener Milwaukee! Though there are, and will continue to be, pandemic restrictions in place for the foreseeable future, we will still be offering a wide variety of engaging and accessible programs such as:

- Litter cleanup and beautification efforts through the [Door Step Cleanup](#) and [BIG Clean MKE](#) programs;
- Youth environmental education including "Eco-Heroes" spring camps and "Out of the Box" summer programs through our partnership with Milwaukee Public Schools;
- **City of Milwaukee regional litter cleanups** throughout the summer with established Friends groups, Neighborhood Organizing Committees, Neighborhood Associations, and Milwaukee County Parks;
- Various **environmental themed webinars** on topics such as composting, recycling, and adopting a zero waste lifestyle. You can view all of our previous webinars [here](#).
