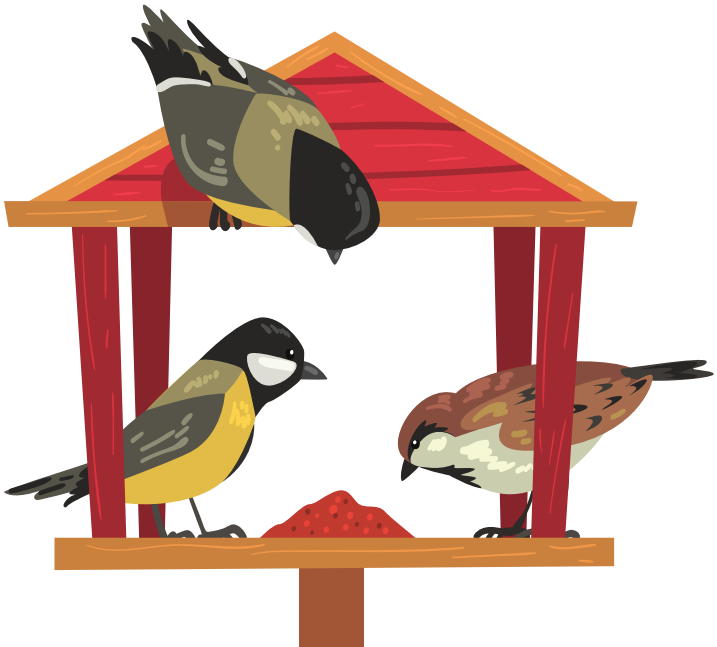
Egg Carton Bird Feeder



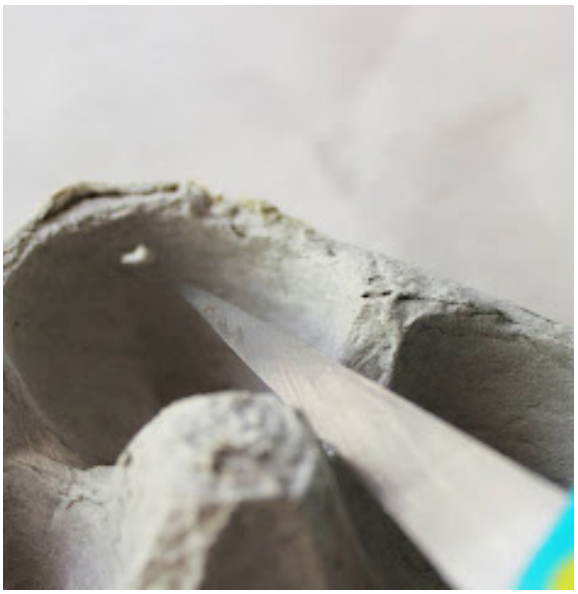
KEEP GREATER MILWAUKEE BEAUTIFUL

CrAFts

Egg Carton Bird Feeder

Supplies Needed

-Cardboard egg carton
-String
-Scissors
-Glue
-Bird Seed

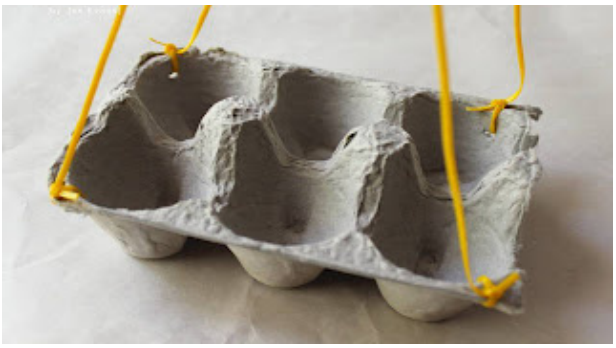


1. Cut off the top of the egg carton. Carefully punch 4 holes in each of the 4 corners with a scissors.

Egg Carton Bird Feeder

2. Cut 2 pieces of string 12 inches each.

3. Thread the string through the holes diagonally and tie the ends into the knots over the corners. Add a dab of glue for extra security.



4. Add birdseed and hang in a secure location outside. Enjoy watching the birds!
