KEEP GREATER MILWAUKEE BEAUTIFUL

Tree Product Bingo

Tree Product Bingo

Objective: See how much we rely on trees in our everyday lives

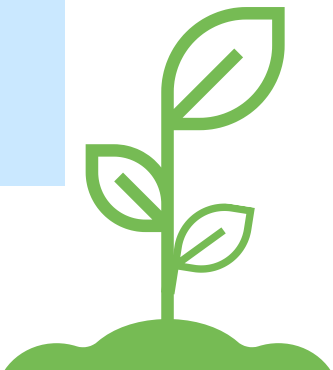
We all know paper products come from trees. But we rely on trees to help make a lot of other items that we use in our daily lives.

The bingo sheet below has common household items that are made from trees. Explore around the house and place a mark over items you have! Can you get bingo?

15 billion trees are cut down each year. If stacked together, this would reach to the moon and back nearly 6 times!

Supplies Needed

-Tree Bingo Sheet
-Marker



Tree Product Bingo

Keep Greater Milwaukee Beautiful

Nuts	Soap	Puzzles	Vitamins	Crayons
Toothpaste	Books	Glue	Shoes	Makeup
Yarn	Basket	Free Space	Sponge	Maple Syrup
Rubber Glove	Tape	Vanilla Extract	Gum	Chocolate
Cork	Eraser	Fruit	Toothpick	Tire

Questions to Consider:

-Did some of the items made from trees surprise you?

-Are there other items around the house that could be made from trees?

-Why do you think it is important to plant more trees?

-Can recycling paper products help save trees?
